WHO ARE WE?

About Laxmi Charities

Founded in 1973, Laxmi Charities is a registered non-profit society dedicated to promoting education and providing relief to those in need.

There is a strong interest among stakeholders in committing to sustained financial support for the years to come. This ongoing financial backing will enable the organisation to expand its reach and enhance its impact in a sustainable manner.

Impact

Over the last five decades, Laxmi Charities has supported over

2,00,000 students

in pursuing their education. Most beneficiaries are aged 18-20, with nearly

two-thirds being women.

Additionally, more than 50% come from families earning less than ₹10,000 per month. The Laxmi Charities Scholarship for Academic Excellence empowers these students to pursue their chosen courses and receive the education they deserve.

WHAT WE DO?

About Laxmi Charities Scholarship for Academic Excellence

The Laxmi Charities Scholarship for Academic Excellence recognises and rewards students demonstrating outstanding academic performance. This programme supports those who need additional financial assistance to continue their education.

The scholarship not only acknowledges exceptional achievements but also provides long-term support through a multi-year funding programme. Once selected, students remain eligible for the scholarship throughout their academic journey, from school to higher education, ensuring consistent financial assistance until they complete their studies.

This programme is designed to alleviate financial stress over multiple years of their education, allowing students to focus on their academic and personal growth without worrying about tuition or other educational expenses.

Educational impact study by Give Grants on Laxmi Charities

The programme was found to be highly relevant to the socio-economic and geographical needs of beneficiaries in Tamil Nadu, offering hope and confidence to students and their families. The scholarships supported students from low-income families, ensuring continuity in higher education despite financial challenges. The majority of students demonstrated strong academic performance, with the programme playing a key role in sustaining their educational journey. This clearly highlighted the effectiveness and academic necessity of the support provided by Laxmi Charities. The intervention also led to a significant increase in higher education participation in Tamil Nadu, contributing to the state's gross enrolment rate.

TESTIMONIALS

Success story

I would like to express my sincere thanks to Laxmi Charities for the help extended to me. It was a humbling experience asking for help . I am so grateful for the professional manner in which I was treated. I got support for all the 3 years which was quite handy in helping me complete my graduation.

One thing I realised was helping people through charity is the most humane act. I was determined to help when I can. Now, I do my bit for a school with economically backward children. Laxmi Charities has played a critical role in shaping who I am today.

My message to all the beneficiaries - Make the most of this opportunity and pay it forward, with gratitude.

Institution speaks

Ramakrishna Mission Vivekananda College (Autonomous)

“Our college, with 78 years of history, reached a milestone in 2023 when several students received significant scholarships for the first time. Laxmi Charities provided substantial support to deserving students from low-income families, offering continued assistance based on their academic performance. The process was streamlined and efficient, ensuring smooth handling of applications and verification.”

Guru Nanak College (Autonomous)

“Since 2015, Guru Nanak College's association with Laxmi Charities has supported our mission to uplift underprivileged youth through quality education. Their hassle-free, merit-based scholarships have enabled many economically weaker students to pay fees, purchase books, and pursue their education without hindrance. This enduring association, based on shared objectives, has opened doors to higher education and motivated students to excel academically.”

TESTIMONIALS

Student speaks

"The Laxmi Charities scholarship was crucial for me, as my parents could only cover my college fees. With a passion for accountancy, I aimed to pursue the ACCA (Association of Chartered Certified Accountants) course. The scholarship allowed me to pursue my ACCA classes, broadening my horizons. Thanks to this support, I have completed 5 out of 13 ACCA papers and received 2 certificates of academic achievement from ACCA."

Ashank - B.Com

"I am studying B.Com and CMA Intermediate (formerly ICWA). Initially, I planned to take local CMA classes to keep costs under 10,000, but the scholarship allowed me to buy recorded classes from top faculty, making my CMA path thornless and helping me clear my Group 1 examination in June 2024. With this year's scholarship, I plan to upgrade my computer skills."

Aditya Bharath P - B.Com

"Laxmi Charities made my dream of studying B.Tech in Food Technology a reality. As a single-parent child, their scholarship was a huge help. I'm now working in the food industry, and I'm grateful for their support."

Sunmathi- B.Tech

"Laxmi Charities was recommended by my professor. Coming from a family with a retired dad and a homemaker mom, their support was crucial for my education fees. The end-to-end application process was easy. Thanks to their help, I completed my BCA and secured a job in an IT company."
